Lemon Grove Review

VOL. 8 No. 2 | LEMON GROVE, CALIFORNIA | THURSDAY, SEPTEMBER 1, 1955 | 10c Per Copy

School To Start Without Double Sessions

Every child in Lemon Grove School District will enjoy full sessions when classes begin here Monday, September 12. A staff of 98 teachers will be on hand to instruct the anticipated 3100 record enrollment in kindergarten through the eighth grade. Besides the regular classroom teachers, five special teachers are employed to serve pupils in all five schools in certain specialized fields. These include music, special training, speech, and a part-time psychologist.

New to Lemon Grove this year is Mrs. Dorothy Gentry, who will serve on a part-time basis as district psychologist. Holding a BA degree from the University of Maine and an MA from the University of Michigan, Mrs. Gentry is completing work on her doctorate at the University of California. She has sixteen years of teaching experience, and is a member of Delta Kappa Gamma, Pi Lambda Theta, and the California School Supervisors Association.

Returning to Lemon Grove as special training teacher is Miss Ruth Cowden, a graduate of Wisconsin State College, with five years teaching experience. Her background includes membership in the NEA, International Council for Exceptional Children, and WEA. The other three district teachers, Mrs. Genevieve Oliphant, Mrs. Ada Krimsky, and Paul Cheatham, are continuing in their positions of last year.

Registration of pupils new to Lemon Grove will be held at the several schools during the week of September 6 through 9. California age requirements for kindergarten admission is four years, nine nomths, as of September 1, and for first grade, five years, nine months, as of that same date. During this same week all certificated personnel of the schools will hold an annual preschool workshop with special emphasis on orientation.

During the next few weeks this paper will carry the faculty roster of each of the district schools, with brief background sketches of teachers new to Lemon Grove this term.

'IT'S ASTOUNDING' SAYS ONE BERMUDA SHORTS WEARER TO ANOTHER

The recent hot spell which engulfed Lemon Grove and the rest of the area brought out some unusual things. Probably as unusual as any was the meeting of two men, one a camera shop proprietor and the other a customer, both wearing identical unusual hot weather garb.

L. G. Camera Shop owner Robert Vaught, center, was astounded when customer George Mayo, a Lemon Grove electronics engineer, walked into his shop last week. They were both dressed in Bermuda shorts of the same color . . . and Bermuda sox too!

The men compared notes and found that they had both been sold the apparel bill of goods at the Highlander Shop on Broadway by manager Ted Skelly who wears nothing but conventional clothes.

Linda Leach, salesgirl at the camera shop, looks interestingly at the knobs exposed on the knees of the shorts wearers.

Shop in Lemon Grove—Save in Lemon Grove

Next week is the "critical" shopping week for families with youngsters going "back to school."

This means families will be looking for all the items families buy just before students troop back to school activities.

To help shoppers obtain their needs locally, the REVIEW is publishing its annual BACK TO SCHOOL issue next week.

Theme of the issue will be Shop in Lemon Grove—Save in Lemon Grove.

1½c REDUCTION IN SCHOOL TAX SEEN

Plans for the proposed instructional services addition to the Educational Center were suspended last week by La Mesa-Spring Valley's board of education. Agreeing with the opinion of the administration that additions should not be contemplated in view of shortages of other school facilities, it was voted unanimously to terminate work on any plans for additional office space.

The board also accepted as completed a four-classroom addition to Murray Manor Elementary School. This addition will be ready for use by the opening of school next month and is one of the last projects to be completed until additional building funds are available, according to Arthur Dahlquist, board president.

A proposal by the board that the amount of the district's 1955-56 budget established for bond interest and redemption be decreased by $25,000.00 was denied by the county board of supervisors. The board of supervisors however voted to allow collection of taxes for bond interest and redemption, this year only, to be based on a 5% delinquency rate, rather than on the usual 10% rate. It is estimated that this will enable a reduction of approximately one and a half cents in the tax rate for that purpose.

After reviewing negotiations in connection with acquiring a new elementary school site near Murray Manor, the board agreed to increase its offer from $12,038 to $13,500 for approximately 2.17 acres owned by H. M. Procter. Procter, in attendance at the meeting, agreed to accept the offer.

Members of the La Mesa Insurance Association, and other interested agents, appeared before the board in answer to a request for information. The board is currently making a study of its insurance policy in the hope that there might be means for securing further economy, according to Dahlquist. No decisions were reached and the board intends to continue its studies, said Dahlquist.

The Mason LINE

by Chan Mason

Columnist Channing Mason went on a vacation several weeks ago and took his column with him. Mason came back but the column did not. Many readers miss the homey touch that Channing gave when he wrote of the complexities and perplexities of life. It appeared to the editor that with an old piece of paper stuck in his battered typewriter, Channing could make some of the most troublesome affairs seem amusing.

Here is what some of our leading townspeople say of his effort:

"I miss Chan's column more than anything else in the paper."
Commander James Yeo

"Mason's Line had a spiritual quality. It was good to read and it was good for people who read it. We want him back."
Dan Apra, pastor

"Reading his column is an interesting and informative interlude. Get Mason back and more like him."
Byron Netzley, Superintendent of schools

"I think Chan is doing the community a disservice by not producing more of his wonderful columns."
Dr. Thayer Crow

"Mr. Mason's column was refreshing and satisfying . . . ask him to return."
Fire Chief H. Hensley

"Mason always seemed to have a word for the worried . . . and he must have helped many."
Ken Conrad, mortician

"Mason's ability for drawing a succinct word picture always amazed me. Let's have some more."
Jack Koop, Manager, First National Bank

"Mason's love for right and justice . . . and clean, wholesome living could well be a pattern for all to guide on. His column must come back."
Judge Luther Hussey

"Shame on you for letting Mason take a vacation. If it cost us his column it's too much to pay."
John Dail, unofficial Mayor of Lemon Grove

Lawyer Heads Local Success Drive

Earl Smart, Lemon Grove attorney, has been named chairman of the Lemon Grove area for the upcoming United Success Drive. Arnold J. Phillips, administrative officer of La Mesa Community Hospital, is chairman of the Heartland Division.

Smart said that a geographic chairman, and a public employees chairman would be named later this week. They will serve under him.

Local goals will be announced next week, Smart said. His office is at 7858 Golden Avenue.

L. G. Camera foto

...dian and Vino Make Poor Mixture

Bernardino Cevallos, El Cajon resident, was brought before Judge Hussey this week, charged with drunk driving, resisting an officer and driving on wrong side of road on Highway 94. A deputy sheriff made the arrest.

Geo. Fernandez, also of El Cajon, who wore a badge with "Indian Police," appeared as a friend of the arrestee, said the boy helped support his mother and five brothers and sisters.

Judge Hussey listened courteously to the Indian policeman, but imposed a fine of $500 or 90 days in county jail, at $5 for each day served, on Cevallos.

Bernardino said he wanted to go to Fresno and pick fruit. The fruit pickin' season will be pretty well over when he finishes his time.

Bernardino put up a battle when the officer put him in the police car, kicked the windows out and gave the deputy a bad time. The vino he imbibed might have had a little dynamite mixed in.—D. H.

Two Possible Supervisors Candidates Emerge from Men's Club Meeting

A report on the parking area which was leased from the Arizona-Eastern Railway by the Chamber of Commerce was given Friday at the Men's Club. Plans are underway to convert the entire strip on both sides of the track into usable parking space, Henry Goldy and Earl Smart, members of the Chamber of Commerce Parking Committee, said. Business people will be called upon to lend assistance in preparing the site, Smart said.

John Dail, program chairman of the day, announced that he would be a candidate for the supervisor's race next year if "properly encouraged."

Peter DeGraff, Chula Vista city councilman, previously had admitted that he too, was eyeing the supervisorial post. "If enough people indicate they want me to run, I'll try for it," DeGraff said. "By the same formula, I'd run for the presidency," he added.

David Bird is the present supervisor. He has indicated that he would make the run again.

Dail, as program chairman, presented members of the Heartland Players group who ran through two skits from their forthcoming production "Dirty Work at the Crossroads." They denied that the title had political connotations.

Local Persons Named To Grossmont Hospital Nursing Staff

Appointments to the nursing staff of Grossmont Hospital have been announced by Mrs. Maurice Kelly, director of nurses. The nursing staff includes 84 persons, of whom 75 are residents of the areas included within Grossmont Hospital District.

"We are very proud of our nursing staff, and of the high caliber of the individuals on it," Mrs. Kelly said. "And we find that they are similarly proud of being on the Grossmont staff."

The list includes five supervisors, 15 head nurses, 21 staff nurses, 40 vocational nurses and nurses aides, three orderlies and one surgical technician. The list of this community's residents as announced by Mrs. Kelly, is as follows:

Head nurses are Mrs. Beatrice Roark, Mrs. Margaret Ross, Mrs. Gladys Lewis, Lemon Grove; Mrs. Frances Belt, Spring Valley.

Staff nurses are Mrs. Helen Hilliard, Spring Valley; Mrs. Helen Jannsen, Lemon Grove.

Vocational nurses and nurses aides are Emma Allen, Dortha Miller, Naomi Parks, Spring Valley; Lodema Cox, Ruth Scotin, Lemon Grove.

Donald Janssen of Lemon Grove is an orderly.

FIRST FIESTA PLANNED FOR C. V. AGAIN

CHULA VISTA—"The 21st annual Fiesta de la Luna will be held here September 28-October 2, and will be jam-packed with fun for the entire family," John Signes, general chairman of the event, announced. It is being sponsored by the Chula Vista Junior Chamber of Commerce.

LETTERS TO THE EDITOR

Dear editor:

Last week's Review carried a small item on the front page which to me was a cryptic and ominous warning.

It read—"If you haven't bought any counterfeit merchandise lately, you probably will soon buy some. This racket is now booming."

Obviously, there was more to it but the printer was probably crowded for space. We think the item might have gone on . . .

". . . but not in Lemon Grove! The abusive practice is limited to the large cities where strangers are easy prey to these crooks. Your small town merchant just can't do these things. He is here to stay and bid you good morning day after day and to greet you in church or at the club. He couldn't live with himself if he swindled you.

"You can always depend on your local hometown merchant for legitimate merchandise with no possibility of those despicable counterfeit grades."

Yours,
Hank Carr
7859 Broadway

I felt short-changed, too, Hank. If anyone finds a one paragraph tail of a "counterfeit" story please turn it in to the editor. We want to know if the original ending is as good as the one supplied by reader Carr.

—ED.

Juniors to Sponsor First Aid Classes

The Lemon Grove Junior and Senior Woman's Club will sponsor a first aid class. Instructions will begin on September 15 at the clubhouse from 7:30 to 9:30 p.m. on Thursday night of each week for a period of nine weeks. A fee of 60 cents will be charged to cover the cost of the first aid book.

The Juniors' civil defense chairman, Mrs. Lee Nottingham, has arranged for the classes to be held in this area and the Seniors have donated their clubhouse. Mrs. Nottingham also stated that the classes will be open to anyone and stressed that Brownie troop leaders, den mothers, teachers, and leaders of various youth groups take advantage of this opportunity for first aid instruction.

JEAN VINCENZ TO BE GUEST AT MEN'S CLUB

Jean Vincenz, county director of public works, will be guest speaker Friday at the Lemon Grove Men's Club Tony Sonka will be chairman of the day. Bert Betts is president but has been on a month's vacation and is not scheduled to return until next week.

Huge Drive-in Theatre Being Built in La Mesa By Lemon Grove Firm

A quarter million dollar drive-in theatre, built by three Lemon Grove enterprising young men, will be opened September 20th at 79th Street and El Cajon Boulevard in La Mesa.

The three men are Walter and Herb Long and Bud Langford, who comprise the general contracting firm of Langford and Long, with offices in the Grove Theatre Building in Lemon Grove.

"We bought the Grove Theatre building last year as an investment and soon found we were operating the theatre as well as the building. This field of endeavor proved so interesting that we started looking for a drive-in location," Walter Long said.

"We were fortunate in getting what we consider one of the most strategic locations in the area for a theatre," Herb Long said. "We have purchased the most modern RCA projection equipment available."

"We are building some interesting innovations into the Alvarado Drive-in," Bud Langford stated. "We will have such things as the largest screen in San Diego County, more rest rooms per patron than any theatre and a cafeteria style snack bar where there will be no waiting to be served."

The firm will maintain their contracting business in Lemon Grove after the theatre opens.

Some Sort of A LINE

By JACK WOOLSEY

We have finally learned the difference between a fort and a fortress. The fortress is harder to silence.

FALL CARD PARTY PLANNED BY REBEKAHS

Mesa Jewell Rebekah Lodge No. 409 Independent Order of Odd Fellows will meet Wednesday, September 7 for their regular business at 8263 La Mesa Blvd. at 7:30 p.m. with the Noble Grand Mrs. Ima Masters, presiding, assisted by the Vice Grand Mrs. Madge Huber. Refreshment chairman is Mrs. Stella Eckenroth.

October 12 at 12:30 p.m. the Fall card party will be held at the above address with Mrs. Verdah Lyng as general chairman. Dessert luncheon will be served and members and friends of the order are invited to attend.

The Dimmer VIEW

By MAX GOODWIN

A newspaper gets its information from a great number of sources and most of it is legitimate news. With this material comes a great blob of minutia which hardly means anything but it is fun when you consider it subjectively. Much of it happens at night while most of you are sleeping. Some of us who keep an eye on night activities of the community find many of the activities amusing. There's the one our trash pickup man complained about the other day. Seems someone had been putting a bag of empty wine bottles in the trash container in the park every week for about a year. This is illegal because the trash company is paid only to collect the small amount of rubbish that accumulates in the park . . . not the refuse of individuals. The trash truck driver checked packages for months and finally a discarded envelope gave him a clue. It led to a family in El Cajon. The man admitted he placed the sack of "dead" bottles there weekly. He admitted he drove all the way from El Cajon just to make the deposit. He said he didn't think he was doing anything illegal. "It was just a nice ride at night and it seemed like a good place to leave the bottles," he said and promised to leave them somewhere else in the future . . . maybe in El Cajon.

• • •

In a restaurant near the edge of town the other night a man asked the proprietor for the use of the phone and bought a cup of coffee. The man tried three numbers but only completed one. He tried to give the restaurant owner two dimes . . . one for the coffee and one for the call. The owner demanded four dimes and to emphasize his demands poured the customer's coffee down the sink. The customer cursed the owner. The owner threw a metal opening device at the customer but hit a bystander. The bystander sued the owner. The man paid for only one telephone call. That's what happened on a simple night time telephone call.

• • •

Harold Mitchell, the man who sweeps up the town's business streets in the early morning hours tells of an intriguing situation. At exactly the same early hour of the same day of every week a couple pulls up to a parking area on Broadway. The couple embraces fervently. She hurriedly hops out of his car into one of her own and they both drive away in a flurry of dust.

• • •

Shoplifting can be petty or grand, depending on the value of the theft. They picked up a lady in one of our local markets the other day and she was almost a walking grocery store herself. She had lifted 14 pairs of hose; six bottles of beer; six bottles of 7-Up; several dishrags; three heads of lettuce and three grapefruit. When the clerk reminded her that her actions were unlawful she bit two of his fingers, inflicting deep wounds. She was amazed at the ruckus she raised over such a small amount of groceries. "Only $22.94 worth," she hmmpf'd.

• • •

On another edge of our town an elderly couple gets up with the daylight to do the family wash. They have been doing it at this unorthodox time for a long time because of the neighbor's nine-year-old monster who imagines himself to be Davee Crockett. This youngster, beyond the control of his parents, would wait for the "enemy" to emerge and when she stooped over to pick up a handful of damp clothes, "zowie," a projectile would smack her rear. It started with a slingshot. Later metal tipped arrows from a bow were used. That's the time the elderly gal took to dawn washing and hanging up same. Last week when lethal pellets from compressed air guns started zinging, the poor old couple thought Davee was outdoing his namesake and called the cops. The cops always win . . . even over Davee Crockett.

• • •

Speaking of cops, our own flat-foot, Hal Johnson, who is as responsible as any for Lemon Grove being the peaceful community that it is, had a harrowing experience. During his early dawn patrol he spied a pair of trim leather shoes with a purse to match lying in the parking area of a local drive in theatre.

He brought the apparel to the sheriff's office in the justice court, expecting someone to claim them, the items obviously having been lost from someone's car. Like an electric shock, the thought struck him that there might be violence involved. With such apparel lying about, a female body might be nearby. He doubled back to the cafe and conducted a thorough search. His effort was soon rewarded. He found the body of an attractive young lady sprawled out in the powder room of the cafe but she was unhurt. She was taking a respite from a very active alcoholic evening. Simply too much hootch!

Karl's Shoes Opens In Grove With Store Number 250

Mel Sutton, Manager of No. 250 — L. G. Camera Foto

Another forward step in the 50th anniversary year expansion program of Karl's Shoe Stores Ltd., largest chain of family shoe stores in the west, will be marked Friday when the firm's newest store launches its grand opening sale at Lemon Grove in a new building at 7915 Broadway. Mel Sutton has been named manager.

Plans for the opening sales event were announced by C. H. Elias, manager in charge of the district, and Harry Karl, president of the firm, with headquarters in Los Angeles, who said the local outlet will be the company's 250th in the 11 western states.

"We are happy, in this 50th anniversary year of further expansion, to extend to additional thousands the benefits of our low overhead, low mark-up policy of providing the best Kustom-Made shoes at the lowest possible prices," Karl commented.

It is this flexible policy of gearing merchandising to economic trends and placing emphasis on goods rather than store fixtures, Karl said, which has enabled his 50-year-old concern to weather panics and depressions and become the largest chain of family shoe stores in the west and the largest family-owned and operated firm of its kind in America.

"Wherever our stores are located," he added, "Karl's representatives are part of the community. They are to be found actively participating in worthwhile local activities—in business and service clubs, patriotic and philanthropic organizations and other community enterprises."

Karl recalled that the present Karl's Shoe Stores Ltd., with its major stress on expert volume buying methods and minimum overhead distribution techniques, grew from one tiny cobbler's shop founded by the family in downtown Los Angeles in 1905.

Identified with the early business growth of Los Angeles, the firm was among the first to decentralize its operation, locating new stores in key areas of population expansion. There are currently 100 Karl's stores in greater Los Angeles alone.

Foreseeing continued expansion for his firm, Karl predicted it will operate 300 stores by 1960 "each extending to shoe buyers the Karl concept of good craftsmanship, volume buying and low prices."

If you would keep your secret from an enemy, tell it not to a friend. —Benjamin Franklin

Dekema to Replace Wallace as State Highway Engineer

SACRAMENTO—Appointment of Jacob Dekema of San Bernardino as district engineer of District XI, State Division of Highways, succeeding E. E. Wallace, who is retiring August 31, was announced by the state highway department.

District XI, with headquarters in San Diego, comprises San Diego and Imperial Counties and the eastern half of Riverside County. For the past three years Dekema has been assistant district engineer of District VIII, with headquarters in San Bernardino.

Dekema is a graduate of Los Angeles High School and of the University of Southern California, where he received his bachelor of science degree in engineering in 1937.

In 1938 he went to work for the division of highways and rose steadily through the ranks to become, successively, district construction engineer in District IX (Bishop), assistant construction engineer working out of division's headquarters in Sacramento and assistant district engineer (administration) of District VIII.

During World War II Dekema spent two and a half years on active Navy duty, specializing in aviation ordnance.

He is a member of the American Society of Civil Engineers and of the Elks and Masonic Lodges. He and Mrs. Dekema have two children, Pamela, 7, and Douglas, 3.

Youth Fined $100 Plus 100 Days in Jail—Four Citations

John Melvin Ward, 19, of 1398 Greenfield St., Bostonia, was sentenced August 22 by Judge Luther Hussey of Homeland Justice Court, to a fine of $525 and 100 days in county jail, with one day suspended. (So the judge can keep a finger on him.)

The youth was given his fourth citation by Deputy Sheriff John F. Duffy.

Offenses of the youth were listed as 332, 481A, 505A, C V C, which signifies in non-legal terms suspended license, hit and run, property damage, reckless driving.

Judge Hussey fined young Ward $250 for 332 (driving after his license was suspended), and the other fines made a grand total of $525. The 100 days in jail with one day suspended, may help the young man to learn that violations of the vehicle code mean plenty or trouble when the culprit is captured.

Mrs. Raymond Tuttle, 4999 Resmar Road, Mt. Helix, was the victom of one of Ward's reckless driving stunts.

Fuerte Drive, Mt. Helix, where Ward was operating his motor vehicle, is a bad place to tangle with another car. Luckily, there were no injuries.

Fuerte Drive is the road from El Cajon Boulevard up the side of Mt. Helix to the top of the hill. It wanders along the crest to Calavo Gardens, where Fred Hansen used to hold forth, before he sold it to newcomers who are now oldtimers.—D. H.

Rt. Rev. Henry Knox Sherrill, titular head of the Protestant Episcopal Church of the U. S.: "Too many of us are more anxious to find support for our own prejudices than to know the facts."

NAMED MANAGER OF MODE O'DAY

— L. G. Camera Foto

Maycell Hooper, who has been with the organization as manager for almost nine years, has been named owner-manager of the Mode O'Day store at 7905 Broadway in Lemon Grove.

The store, the 528th in a nationwide chain, was opened Friday.

Mode O'Day, Lemon Grove's newest shop, features California fashions, designed and manufactured by Mode O'Day and offers a wide selection of dresses, blouses, lingerie and sheer nylon hosiery.

Mode O'Day is nationally known for smart styles, fine quality fabrics, expert tailoring and good fit.

Merchandise shipments arrive weekly from the manufacturer and offer exceptional savings to the customers. The Mode O'Day shop in Lemon Grove is one of more than 525 stores located in the United States, Hawaii and Alaska.

Millions of women are familiar with Mode O'Day's unconditional guarantee of satisfaction. Because Mode O'Day offers so much fashion at surpriisngly low prices, it's a popular shopping center for teenagers and budget-minded homemakers.

Dag Hammarskjold, UN Secy. General, at Stanford commencement—"It is for all of us to look ahead and not permit old conflicts to envenom the spirit of the creative work before us."

L. G. Contibutes $150 To Seaboard Emergency Via Red Cross

Roy E. Erwin, chairman, Lemon Grove branch, American Red Cross, announced today that $150 in unsolicited funds was contributed by residents of Lemon Grove in the emergency appeal for aid to disaster areas stricken by floods on the eastern seaboard.

San Diego County Chapter, American Red Cross, has accepted a $50,000 quota of the eight million dollars which has been set by National Red Cross to meet the need of the 35,000 families affected.

In explaining the nature of Red Cross disaster relief effort, Mr. Erwin pointed out that there is frequent misunderstanding on the part of people who think that those made destitute by disaster can obtain direct grants from federal funds allocated for disaster relief. "This is not the case," he said, "since under the law, families cannot be assisted by the government directly. Certain public funds are made available on a loan basis to families and business firms, and generally, public funds, whether federal or state, are used to repair damage to roads, bridges and public property. The individual family in need must look to Red Cross for assistance on a gift basis."

"Money earmarked for disaster in the annual fund raising campaign earlier this year has been practically depleted," he said. "In the Kansas tornado disaster an excess of $1,200,000 was spent and only $100,000 collected. The Red Cross has not met its goal for the past three years," he added.

To make it easier to make contributions, arrangements have been made through the Lemon Grove branch, American Red Cross, for donations to be sent directly to Mrs. Charles Taylor, 6601 MacArthur Drive, Lemon Grove, or via cannisters in the business district of Lemon Grove. Friday and Saturday afternoons and evenings a booth will be set up at Mayfair Market and at the post office.

A secret may be sometimes best kept by keeping the secret of its being a secret. —Henry Taylor

Sunburn Pain Disappears

CARR'S CORNER

We thought you'd like to know that September 12th is Defense Day and a good one for flying your flag. Then there is Constitution Day, September 17th, another good one.

Come to think of it, why not Labor Day, September 5th, this year? This is a very American kind of a day. We were the only country in existence with a Labor Day, so when the Communists "invented" Labor Day they made it May 1st in the whole world EXCEPT THE USA!

We had a good one of our own, thank you, and we prefer to celebrate it in our own long-established way, peacefully with our families on the day WE CHOSE and not rioting and tearing down things on Soviet's Day.

If we only had a Junior Chamber of Commerce we should have hundreds of flags flying in the breeze. It is too much to ask of women's clubs and auxiliaries and we just wait and pray for the Jaycees. (Jr. Chamber of Commerce).

P.S. You ought to see our Sunbeam window. We have a bigger and better display than Macey's and Gimbles. Don't you think you should have us lay away one of these handsome, useful, dependable Sunbeam products?

Charlene Tappy In Critical Condition As Laurence Dies

Charlene Tappy

According to a late report Friday, 18-year-old Charlene Tappy, victim of a shot by Olin Laurence, is in a critical condition at Navy Hospital. Laurence, who shot himself, died this week in County Hospital. Laurence and Mrs. Tappy were once engaged in the poultry business.

Charlene Tappy is the daughter of Mrs. Frieda Tappy of 9344 Crest Drive, Spring Valley, and Charles Tappy of Lemon Grove. She is a graduate of the Grossmont High School.

'Platter Parade'

By Bob Turnbull
HO 9-3448

Ratner Recommends . . . the following two platters: "Seventeen" by Ella Mae Morse and "Let Me Hear You Whisper" by Jo Stafford.

Record Poll . . . Here are the five top pop discs being spun in this area, as compiled by Ratner Electric, Eighth and Broadway in downtown San Diego. (1) "Rock Around the Clock" by Bill Haley. (2) "Unchained Melody" by Les Baxter. (3) "Something's Gotta Give" by Sammy Davis Jr. (4) "Honey Babe" by Art Mooney (5) "Ain't it a Shame" by Fats Domino. Leading classic: "Square Talk on Popular Music" by Anna Russell. Top jazz record: "Moodsville" by James Moody.

Dis 'n Dat . . . Al Martino's newest wax works is "The Main from Laramie." . . . The Paulette Sisters have a new one entitled "You Win Again" and "Mama, El Bajon." . . . Les Brown's debut on the capitol label was "Frenesi." . . . Jack Webb plays the cornet in his latest pic "Pete Kelley's Blues." . . . Mercury banner features the Crewcut's latest song "Don't You Be Angry." . . . The King Sisters recently completed a Universal-International featurette, "Strictly Informal."

New Albums . . . are being featured at Ratner's this week. Some of them are: Arthur Murray's "Rock 'n Roll" with "Big Dave" Cavanaugh's ork; also Arthur Murray's "Dance and Dream Time" featuring rumbas, fox trots, tangos and waltzes. The Serge Chaloff Sextet's "Boston Blow-Up" featuring contemporary jazz. Frank Rosolino's Quintet playing "Frankly Speaking" with music written by Stan Kenton's protege, Bill Holman. Claude Williamson Trio playing "Keys West," with the piano playing of Claude. Classics: Hollywood Bowl Symphony Orchestra playing "La Danza!" The Roger Wagner Chorale singing "Folk Songs of the New World." For children: Music from Tchaikovsky's "Swan Lake." Music from Tchaikovsky's "The Sleeping Beauty." Music from Falla's "The Three-Cornered Hat."

Never

Makers of automatic vending machines are confident there will be a constantly increasing use for this form of salesmanship. They can point to the fact that slot machines never form unions or demand a raise of eight and a half cents an hour—Brubaker in the New Yorker.

Helix High School Registrations Being Taken

Area students are now being registered at Helix High School, it was announced this week by Benton Hart, school principal.

All students who moved into the district during summer are required to register. Registration periods are 9 to 12 a.m. and 1 to 3 p.m. each day this week except Saturday.

Robert Carlton is the counselor for ninth graders, Ross Wallis for tenth graders, Wilmer Brobst for eleventh graders, and Mrs. Clara Brown for twelfth graders.

It is important that students bring with them their grades to date of leaving or their last report card at the time of registration. Ninth graders should bring their diplomas verifying graduation from eighth grade.

School will open on Monday, September 12. Ninth graders will have an orientation afternoon at Helix High School on Thursday, September 8. Information regarding the freshman orientation will be mailed to all ninth graders who registered in the spring. Students new to this area will be given the information at the time of registration.

GROVE YOUNGSTER WINS JOHNNY DOWNS PRIZE

David Dale Marquardt, 8, of 8068 Darryl St., Lemon Grove, has received a set of books as a prize in a recent contest sponsored by Johnny Downs of Channel 10.

The Lemon Grove boy wrote a safety slogan for the television star.

To Saturday, September 2 ONLY . . .

"Sew it Yourself Fashion" contest winner — A first prize of $2000 and an additional $100 was won by Mrs. O. J. Hermann, Jr., San Francisco, for her outstanding entry in the "Sew it Yourself Fashion" contest at the California State Fair and Exposition. The entry, here modeled by Kathy Cox of Sacramento, is a sheer brown wool dress with brown and white nubby tweed jacket, both of Forstman wool.

Grove Resident 17 Years, Goes to Last Reward

Mrs. Josephine S. Brown of 2910 Orange Pl., a resident of Lemon Grove for 17 years, died last Friday. Rosary was held in St. John of the Cross Church and Requiem Mass was held Tuesday in the church.

Mrs. Brown is survived by four children, Walter and Thomas Brown, Mrs. Koziski and Mrs. Katherine Joyce of Lemon Grove, two brothers and one grandchild. —D. H.

LEMON GROVE WATER WORKS MAY GET 'HELIX' HANDLE

A petition containing more than 600 names requesting the La Mesa, Lemon Grove and Spring Valley Irrigation District's (Lemon Grove Waterworks) name be changed to "Helix Irrigation District" was filed with the directors of the district last week.

The petition, bearing principally names of La Mesa residents, said, "It is our opinion that the familiar name of 'Helix,' claimed by the majority of communities in this area, will meet with the need for a shorter name and will best represent all of the larger populated areas of the district."

Previously, the Citizens Advisory Committee of the irrigation district had recommended that the name be changed to Cuyamaca Irrigation District. The board took this suggestion under advisement, and has taken no action. A law making it possible to change the name of any irrigation district will become operative in October.

Accompanying the petition presented to the board Tuesday was a letter which gave the following reasons why the name should be changed to Helix:

"The present name of our excellent irrigation district is acknowledged to be clumsy and entirely too long. We completely agree with efforts being made to shorten the name, and yet still make it descriptive of the area served.

"Water is the most precious natural resource in this area. We think it entirely fitting and proper that the name of our irrigation district be taken from the most important and commanding natural feature of this area—Mount Helix.

"Helix is a colorful name which to all of Southern California means the beautiful foothill area which surrounds it. Helix is an honorable name, filled with traditional and historic meaning. Helix, standing as it does—an awesome landmark against the sky—is perhaps the only thing that all the communities served by our district have in common.

"Helix Irrigation District would be a bold, positive and brief way of identifying the organization we are so proud of."

There's always an argument when an unimpeachable source disagrees with an unquestioned authority.—Indianapolis News.

Grossmont Hospital Auxiliary Harvest Ball to Be Held October 1

Proceeds of Grossmont Hospital Women's Auxiliary's second annual Harvest Ball—to be held on Saturday, October 1, at El Cortez Hotel—will be used to purchase additional surgical instruments for the newly-opened hospital. The funds will not be used for landscaping of the hospital grounds, as was previously announced. While the landscaping is a continuing interest and responsibility of the auxiliary, other projects will be taken up, from time to time, as new needs of the hospital arise, according to Mrs. J. Forster Couts, president.

When the need for more instruments was announced at a recent auxiliary board meeting, there was no dissenting vote on the motion to underwrite the purchase of this needed equipment. As a homemaker needs "extras" in silver, china, glassware, and linen — to augment the family service, for use when guests arrive; so a hospital needs extra supplies of the most commonly used instruments in order that more operations may be carried on simultaneously in case of emergency, Mrs. Couts told the board.

Three may keep counsel, if two be away. —John Heywood

RIDING STAR COMING TO SHERIFF'S RODEO

Monte Montana and his trick riding and roping horse will be one of the main attractions at the first San Diego County Sheriff's Relief Association Rodeo to be held at the Del Mar Fairgrounds, September 24 and 25, Lt. Tom P. Isbell announced. Montana has appeared as a cowboy in numerous western movies.

Has Display at Recreation Round-Up

Mrs. Ann Muehler of 7605 North Ave., Lemon Grove, had an interesting display of rock frames at the Recreation Round Up, in the Federal Building, Balboa Park, last Friday, Saturday and Sunday afternoons. The roundup featured displays of hobbies and various activities for spare-time enjoyment. Booths were provided by the park and recreation department, with Stanley Millar, supervisor arts and crafts in charge. There was no charge for admission, and the comments of the hundreds of visitors were very complimentary. Kinda nice these days to see a good show for free.—D. H.

Rarely

A physician recommends standing on the head to cure hiccups. But, doc, a person rarely has a severe attack of hiccups until his condition is such that he can hardly stand on his feet—Jacksonville Journal.

NEWSPAPER HOLDS OPEN HOUSE AS EIGHTH YEAR COMMENCES

A three hour open house period during which time visitors may see a newspaper being printed will be held Friday of this week from 6 to 9 p.m. at the new home of this newspaper.

A full staff of printers, pressmen and office personnel will be on hand to welcome all lookers, and lemonade and cookies will be handed out.

A souvenir copy of the newspaper will be given to visitors, too. It will be printed as visitors watch. William Morris Jr. will be in charge of this event.

The intricate type-casting machine, the one which makes the metal slugs from which the newspaper is printed, will also be in operation. Joe Berendt will operate the machine.

The newspaper moved earlier this month from its 3445 Imperial address to 7834 Lester Avenue, which is one half block north of its former home.

The new building is owned by the publisher and was designed expressly for the purpose of housing a newspaper.

This is the office group at the newspaper. They are Gladys Gardner, June Honn and Ellen Beckwith. Irene Estes, right, is classified advertising manager.

Editorial men make a newspaper interesting and advertising men keep you informed on where to buy your family's needs.

Here are Roger Johns, photographer; Dick Henderson, reporter; Ollie Turnbull, advertising manager; Tommy Thomas, reporter; Max Goodwin, editor; Robert Turnbull, teenage editor, and Phil Riester, advertising representative. Columnists Channing Mason and Jack Woolsey were not present at the time of the photograph. Neither was Mary Wagor, editor of the Bulletin.

The newspaper press delivers the printed product and with an attached folder the newspaper comes out properly paged and folded.

Billy Maisch, pressman apprentice, William Morris, pressroom foreman and Arthur Jones, pressman assistant, are checking the newspaper's Cottrell press before the paper is run off.

In the mechanical department is where the lines of type are cast in metal. Joe Berendt, seated, and Frank Weisgerber produce all of this newspaper's type. In the background is Johnny Mallow, apprentice printer.

Church Group Hears Sewer Plan

By DICK HENDERSON

A meeting devoted to to giving information on the sewer bond issue was held last week in the basement of St. John of the Cross Church, with many property owners in attendance.

Information was furnished in detail by Charles Oldsen, a sanitary engineer with the board of public works, and Warren Barney, chief engineer for County Public Works Department. Captain Robert Goodbody acted as chairman of the meeting, which was called to order at 8 o'clock and dismissed at 10 p.m.

Just after the meeting opened a young lady told Chairman Goodbody that a green car with 2511 on the license plates had its lights on. Three gentlemen got up and made a rush for the door, and one came back right away.

Mr. Olsen spoke first, describing the formation of Spring Valley Sanitation District and the procedure in a bond election and afterward, and spoke briefly of the first election on this important subject two years ago. He described the plan of trunk lines and disposal plant to be installed, at a cost of $735,000, which includes the disposal plant at the lower end of the valley.

This plant is to be of a different type than the first planned, and the valuation of the first district was based on $10,000,000 while the present issue is based on a valuation of $6,000,000.

Mr. Barney explained that there are three parts to the plan as outlined: 1 Treatment Plant; 2 Trunk Lines and 3 Collector lines. The treatment plant and trunk lines are provide in this present plan, with collector lines to be added as the property owners decide what they need to reach the trunk lines. A number of persons may be on one collector line, which would reduce the cost, estimated at $3.50 to $4.50 per foot.

Property facing on the trunk lines would be charged $250 per connection, while connections to laterals would cost $165, this difference to average the expense equally.

The 1911 Act will be used to determine the assessments for collecting lines, based on assessed value of the property affected, over a ten year period.

When the cost of the collectors is figured, after the property owners decide what laterals they want, bids are advertised for, the various bidding contractors are furnished plans and specifications and when contracts are completed bonds are issued and turned over to the county treasurer. These bonds may be paid off at once or in ten yearly installments, whichever is preferred by the property owners. (Ask any friend in Lemon Grove how he likes the arrangement, which is in use in various parts of the county.)

A 15½ acre site has been selected in the south end of the valley. Much of the plant is not visible. The settling plant is covered, and no unpleasant odors are present.

The resultant waste water is pure and will be used for irrigation of various crops, and its purity for human consumption, if desired, is guaranteed by offiicals of the state health department.

Reference to the master plan was made, but that plan is far in the future, at least 15 years, with a lot of argument during that time.

If the system proposed at this time serves for 15 years, it is estimated that the cost to the property owner will be 55c per $100 assessed valuation per year which will be lessened as new "customers" join the system, to 40c, maybe less.

The sewer trunk line will be 24 inches at the lower end with eight in line at the upper end, graduated in between.

Mr. Barney invited questions, which were answered at length. He spoke out fairly, no weasel words, no evasions. Admitted frankly that it would cost money to put in the system, but said it would be less expensive than septic tanks, and much more sanitary . . . out of sight, out of sound, out of smell.

Pack 318 'Take' Dads in Outing Ball Game

The monthly pack meeting of Cub Pack No. 318, under the leadership of Robert Wilber, Cubmaster, was held at Flinn Springs last week. The theme for the month was "Just Plain Fun," and that's exactly what took place.

At the call of "play ball," fathers and Cubs took off for the ball field, leaving mothers to prepare the food. About the time that the Cubs were showing the Dads up in the game, mess call sounded, and saved the day for the Dads.

Cubs who won prizes during the day were Ronald Rusk and Donald Luscomb in the bubble blowing contest; Joe Hadfield in the sack race; and Vincent and Allan Ursillo in the three-legged race.

The advancement ceremonies were conducted by C. W. Skinner, committee chairman, who welcomed in the pack as Bobcats Douglas Andrews and William Wilder of Den 3, Mrs. Marge Heath, Den Mother, advancing into the Webelos Den were Larry Lindsley of Den 7 and David Taylor of Den 2. Other awards presented were a silver arrow to Ronald Rusk; a gold arrow, silver arrow, and Lion badge to David Taylor; and gold arrow and Lion badge to Larry Lindsley. Joining the pack committee were Howard Lane as secretary, and Mrs. Gloria Davis as refreshment Den Mother.

The day ended on a happy note with singing of favorite songs by the boys and their families.

One of the summer activities of Cub Pack 318 that has been greatly enjoyed by the boys and parents is a weekly baseball game at the San Miguel School Grounds. Under the guidance of Al I. Burke, and other Cub fathers, the boys learned the rules of good sportsmanship as well as the rules of the game.

Some of the other activities the boys participated in this summer were swimming, fishing, miniature golf, backyard barbecue and campouts, trips through the Museum of Natural History and local tuna canneries.

LEMON GROVE LEMON-EIGHTERS TO START BEGINNER'S CLASS

August 25 was graduation night at the First Congregation Church's Friendship Hall for the Lemon - Eighters. Stan Bryan, caller, gave membership cards to club members, who also received club pins.

Among the many guests were Heartland president, Ron East, Sylvia Conkle, and the couple of the month, Frances and "Smitty" Smith. Our music was by the "H & H Tunetwisters" and was great as usual.

The Lemon-Eighters are sponsoring a new beginner's class starting September 12, from 7:30 to 9:30 p.m. at Friendship Hall, First Congregational Church. Free baby sitting to everyone. Stan Bryan will be caller and teacher. Come join the fun of square dancing.

St. Philip's Church To Hold Fashion Show

A "Mother and Daughter" Fashion Show is planned for September 7 by the Woman's Auxiliary of St. Philip's Episcopal Church at 8 p.m.

Back-to-school fashions will be modeled by young ladies and their mothers, and autumn styles for the well-dressed woman will also be shown. There will be door prizes and refreshments. The men of the family will also be welcome.

There will be a Bishop's Committee meeting at the church Tuesday evening, September 6, at 7:45 p.m.

The vicar, the Rev. J. Phillip Bartlett, received word this week that the Rt. Rev. Donald J. Campbell will visit St. Philip's on November 27 to administer Confirmation. The vicar will begin instruction classes in October on his return from his vacation in Mexico.

Mobile Radios Can Touch Off Explosive Says Official of Water Works

Users of mobile radio equipment can be inadvertently responsible for exploding electric blasting caps, it has recently been discovered in a series of experiments conducted following some accidental explosions which appeared to have been caused by energy from radio transmitters.

D. G. Raasch, electrical engineer for the Lemon Grove Water Works, and Bert Wilkas, construction engineer for the water district, have been investigating the possibility of such explosions being caused by radio transmission.

The men became interested in the matter some time ago after learning of some accidents which appeared to have been caused in this manner.

The irrigation district has issued a bulletin to users of mobile radio equipment in the entire metropolitan San Diego area setting forth a list of measures which should be taken to avoid these accidents.

Shelton explained, "It appears that the wires in an electric blasting cap can act as an antenna to pick up radio energy, so that if the configuration of the wires is just right within the vicinity of a radio transmitter, the bridge wires in the cap can be heated to explode the cap. This has occurred both accidentally and in test.

"Radiated power sufficient to detonate electric caps is transmitted by commercial broadcasting stations and by two-way radios installed in mobile equipment. Many of these installations operate with high wattage 24 hours a day."

Two features of the measures which may be taken in preventing such accidents are that all cars with two-way radios within 300 feet of any electric blasting operation should have the transmitter turned off, and electric blasting caps should not be transported in cars with two-way radio, unless they are still packed as received in their original container or are in a metal-covered box.

Lakeside to Hold 10th Annual 'Days Of '49' Event

LAKESIDE (Special)—California's pioneer days will come to life again Saturday and Sunday, September 17 and 18, when this town, center of Southern California's rodeo activity, dons jeans and boots, and displays its whiskers in the tenth annual Days of '49 community celebration.

Sponsored by the Lakeside Chamber of Commerce to raise funds that will complete the War Memorial Building, the two-day celebration will feature a rodeo in which top cowhands of the southwest will compete, a chuck wagon barbecue dinner the first day, a pioneer days parade and western style dances, according to Earl Baker, celebration chairman. He outlined the program as follows:

The rodeo will start at 2 p.m. each day, and will include one of the most exciting of rodeo events — a wild horse race — as well as bulldogging and riding, bronc and bareback riding and calf roping.

NEW BEGINNER'S CLASS FOR DANCIN' DUDES

The new Beginner's Square Dance class sponsored by the "Dancin' Dudes" is still open to all teenagers and adults. Place is St. John of the Cross Recreation Hall, Imperial at Washington, Friday, September 2 and 9, from 8:30 to 10:30 p.m. Marion Aston will be the caller.

For additional information please phone CO 4-5281.

Hubert H. Humphrey, U. S. senator from Minnesota: "The unification of Germany is the heart and core of European security."

Junior Square Dance Class Has Graduation Party

One of the most colorful events witnessed in Lemon Grove occurred when the Junior Square Dance class sponsored by Levis and Laces held their graduation party last week.

Approximately 250 children danced for three hours at the Lemon Grove Junior High School Cafetorium. It is estimated that there were just about an equal number of parents in attendance also, either dancing or watching from the sidelines. The children had been promised a party by the sponsors and the callers, Juan Frank and Clarence Montgomery and all came attired in the colorful dresses and shirts so dear to the square dancer's heart. Don Frank was on hand as guest caller.

During intermission gifts of appreciation were given to Mrs. Frank and Mr. Montgomery by members of the class. In addition various door prizes were awarded and specialty numbers given which included an exhibition by three squares made up of the adult members of Levis and Laces who have acted as assistants to the callers during the many weeks of instruction, and several dances by a square of "Little Mixers," an advanced group trained by Mrs. Frank that will be seen on television in the near future.

At the close of the dancing cold drinks and cookies were served to the youngsters by Mrs. Mabel White, chairman of the committee, and her assistants. Mrs. Frank announced to the children that instruction would continue on Thursdays as usual, until further notice.

Of interest to many of the parents present was the announcement that a beginner's class for adults will start on Monday, September 12, at 8 p.m. at the Woman's Clubhouse at 2810 Main St.

Delphians to Discuss Culture as the Human Enterprise

Alpha Beta Chi Chapter of Delphian will resume study for their third year September 6, Tuesday, at 10 a.m. at Hilltop Chateau, 6970 Central Ave., Lemon Grove. Mrs. O. A. Patterson will preside.

Mrs. F. D. Bascom, seminar chairman, advises that Mrs. E. J. Billman will conduct the opening meeting. The subject will be "Culture: The Human Enterprise." Topical leaders will be Mmes. S. A. Read, D. S. Newton, A. M. Garber, Miss Rosalie Winkler, and Mrs. A. P. Schnell.

MRS. THOMAS UNDERGOES SURGERY

Mrs. John H. Thomas, 7462 Tracy Street, is in Paradise Valley Hospital for an operation involving cancer, her husband reported this week.

Thomas, a retired tool and die maker, and his wife have resided in Lemon Grove for ten years. Mrs. Thomas, he said, was in the hospital about three months ago for a different ailment.

New Bank Building On Schedule

"Construction on the new Lemon Grove building is progressing satisfactorily," stated Anderson Borthwick, president of the First National Trust and Savings Bank of San Diego.

This new building will have 9700 square feet of floor space, including a mezzanine and two rental units. It is located on Golden Avenue between Imperial and School Lane, and is constructed of reinforced concrete with the entrance made of stone veneer. It will have a large officers' deck, ten commercial teller windows, five note and savings windows, a safe deposit vault, two private escrow rooms, and two drive-in windows. The entrance to the drive-in windows is from Imperial Avenue and the exit is on Golden. There will be parking facilities for 52 cars.

BAPTISTS EYE MISSIONARY ORGANIZATION

The eyes of First Baptist Church of Lemon Grove will be focused upon the Sunbeam Missionary Organization this coming week of September 4 through 11. Children from four through eight years of age will observe this special week set aside for them by thinking and doing for others as well as having an enjoyable week.

They have made plans to visit rest homes. They are to bring gifts to be boxed and sent to missionaries who work with Indians in New Mexico. These missionaries will use these gifts for the Indians at Christmas. Tuesday, the Sunbeams will honor their mothers with a tea and they will conclude their busy week Friday with an outing to the beach.

Pastor and Mrs. Bob Rochelle and several Sunday School leaders from the Baptist Church will be attending an afternoon and evening session of a statewide Sunday School planning meeting in Los Angeles this Thursday, September 1.

Century Plant Blooms After 35 Years

L. G. Camera Foto

For the Charles Spisak family at 1680 Taft, Monterey Heights, it wasn't a matter of watching "it" grow week by week, but day by day. The "it" is their century plant, which looks like a tree, but in reality is one of the most unusual of the cacti plants Mother Nature ever created.

This particular cactus is comfortably nestled in the front yard of the Spisak residence and towers approximately 40 feet in height.

Mr. Spisak dug this little plant up about five years ago in Lakeside. At that time it was estimated to have been 18 years young. It was 8 feet tall then and remained that way for a half of a decade. Then suddenly, without warning, on April 16 of this year Mrs. Spisak noticed the plant was stretching its frame, at quite a rapid pace. In fact for two months it grew about six inches every day.

"Even though it was very interesting, it was quite frightening in a way to see something grow so fast. Why, you could almost stand in front of it and watch it grow by the hour," remarked Mrs. Spisak.

At present the cactus is in full bloom, attracting bees and hummingbirds. It resembles a giant asparagus stalk, with blossoms on top.

It took a month to bloom, with the colors being yellowish-green, or chartreuse. The plant grows and blooms about every 35 years, dies and then sends up offspring near the dead plant.

"It has already attracted many sightseers from the neighbors and even out-of-towners," Mrs. Spisak added.

But the woman of the house isn't the only member of the family fascinated by this combination beautiful-ugly cactus. Her husband Charles, son David, 16; daughters Charlene, 18; Sandra, 8; and Melissa, 5, are interested enough to keep notes on its growth, colors and the expected day of its demise.

In case you've been wondering, the attractive miss standing alongside the plant is Jill Sonka, daughter of Myra and Ed Sonka, 7561 Cuyamaca. Jill is in the pom-pon corps at Helix.

'DIRTY WORK' STARTS TONIGHT

The Heartland Players of Lemon Grove open tonight with their presentation of "Dirty Work at the Crossroads." As a special feature a door prize will be awarded to some lucky theatre goer each night, September 2 and 3.

This play will prove to be entertaining and fun for the whole family, under the fine direction of Bob Snow, resident of Lemon Grove and a veteran in radio, stage and tv.

Join us at the Helix High School Little Theatre on any of these nights and help our hero and heroine fight it out with the villain on the railroad tracks as the New York, New Haven, and Hartford limited comes screaming across the bridge and into the footlights.

For reservations call Mrs. Arbuckle at HO 9-7247 any time before 5 p.m. and your tickets will be held at the box office.

WELCOME WAGON JOB AVAILABLE

There's a job for a woman who likes to circulate amongst local residents and business people. A Welcome Wagon position is available for some qualified woman.

The position requires only part of a day's work. Additional information may be obtained from the office of the Homeland Publishing Co. at the corner of Imperial and Lester.

'Teen Review' to Feature All-Star Football Film

"Teen Review," tv show for high school and college students now being seen on Channel 10 every Saturday at 4:30 p.m. for one full hour, will show film of this week's All Star football game.

This Saturday's show features a boy or girl in "Talent Showcase"; a 15 minute fashion show from Walker Scott's; songs by Bonnie and Linda Cowie (of the Gay-Bon-Lin Trio); chatterbox, where school news is broadcast; films of the all-star football game held Wednesday night in Balboa stadium, and films of the ice show and local horse show, that has many teenagers participating, plus many other interesting features.

Bob Turnbull, columnist for the Review, is president of the "Teen Review" show and co-master of ceremonies.

JUNIOR HIGH P-TA JUMPS INTO BUSY SCHEDULE

Two meetings of the Lemon Grove Junior High P-TA were scheduled.

The budget and finance chairman, Mrs. Virgil Danielson, set up the budget for the coming year at a meeting held Tuesday at 9:30 a.m. at the school.

Those who attended were Ben Schei, principal; Mmes. Virgil Danielson, E. F. Brady, president; Carl Nelson, treasurer; John Mallow, ways and means chairman and C. J. McMahon, publicity chairman.

At the home of Mrs. E. F. Brady Wednesday the first executive board meeting of the year was held. Included on the agenda for discussion were such things as a get-together for the teachers and the members of the executive board and Halloween Carnival participation. Presentation of the programs for the year and (presentation) of the budget also took place.

Following the business meeting was the social time, during which refreshments were served.

Finley Firm Takes on Western Union Services

Western Union message headquarters have been re-established in Lemon Grove, company officials announced this week.

Messages may now be sent from the office of the Finley Transfer Co. at 7340 Broadway near Harris Street. Finley, who has been in the hauling and express business for 18 years, said that money orders would be sent and received at his office. Previously, this service had been given by the Globe Trotting Travel Agency in the Grove Theatre Building but that firm recently quit business.

Finley has been at his present location for more than a year and has specialized in small shipments and express size packages. This service saves shippers from having to make a trip to La Mesa or downtown, he said. Finley can be reached at HO 6-9380.

Charles E. Wilson, secretary of defense: "While it is true that you cannot stop bullets with ideas, it is equally true that you cannot stop ideas with bullets."

Throwin' The Bull

By BOB TURNBULL

It's a Joke, Son! . . . a thoroughly tamed husband is one, who, if turned loose on his own, will take the dog for a walk.

—o—

Status-Quo Pads . . . On Friday, August 19, John Carmichael turned in a good pitching performance for the Padres at Sacramento, as the border crew scalped the Solons, 10-3. In that game Maddern went hitless.

On Sunday the Padres split a double-header with the Solons, winning the first game 2-0 but dropping the second tilt (which they should have won), 3-4. In the first game Federoff, Bailey, Kazak and Faber went hitless. Errautt was the winning pitcher. In the second tilt, Rapp and Ridzik didn't smack the leather. Bishop was the loser.

Tuesday, August 23, the Pads returned to Lane Field where they proceeded to lose a horribly played ball game. Dickey was the losing pitcher and Federoff, Peterson, Rapp and Faber were the goats at the plate. With the bases load in the ninth inning, only one away and behind two runs, guess what happened? You're right! Both Earl Rapp and Ray Jablonski goofed as usual, and struck out! Great contributors to our cause!

It took Bob Kerrigan to spark a little life in our "Learnin' the Blues" ball club, as he pitched a 7-hitter, 30- victory, past O'Doul's proteges. Peterson, Kazak, and Kerrigan were very poor at the plate.

In the final Oakland battle, the Pads were easily aced out, 5-0. The Pads outhit their foes, but, as usual, left men stranded and never hit when we needed them. Jablonski and Faber were the poor batters of the evening.

—o—

Altar Arrests . . . Mr. and Mrs. Bill Turpin, formerly Lillian Good, have returned from their honeymoon, where they had a very enjoyable stay in Cortez, Colorado. They were wed on Friday, August 12 in an informal patio wedding at the home of Mr. and Mrs. Colle, who reside on Celivista Drive, San Diego. Kathy Lou Pendergrass was the maid of honor and Bill's brother, Bob, was the best man. Lil can be best remembered as one of Helix's top soprano soloists in the choir, and Bill was a major cog in the wheel of sports at Helix, having lettered in football and basketball. . . . Charlene Hansen exchanged vows with Ken Evans last week. Charlene graduated from Helix. Miss Diane Cassel was maid of honor and Irene Hislop was one of the bridesmaids. . . . Mary Johnston recently announced her engagement to Jim Huskey. Jim is a Helix grad while his future bride will be a senior at said school in a matter of weeks. . . . Pat Anderson is now Mrs. Bill Black. Pat graduated from Helix High School. . . . Howard Hawkins, ex-Helixer, is engaged to a "Highlander enemy," Ada Joan McManus, an ex-Grossmonter. . . . Another Helix fellow is engaged to a Grossmont gal, in this case Bob Harris will soon claim Nancy Buhr as his bride. . . . Another Friday night, August 12, wedding took place, this one between Carol Ebre and Bob Withem. . . . Lois Desserich and Ronnie Lewis are August newlyweds also. . . . Celia Smith and Bruce St. John have been wed for quite some time, but the word is just now out.

—o—

Real Gone! . . . There's this about the teenage crowd: They like their music good and loud. And I'm not hep, I lack the knack. It sends me, but I don't come back. Signed—Any parent over 40.

—o—

Dis 'n Dat . . . Last Sunday night the Senior and Junior group of the Lemon Grove First Congregational PF motored to Cal-Western University where they toured the college and heard Dr. Rust speak. . . . "Rock Around the Clock" is the top tune of the city and county still. . . . Neal Curtis and Stu Sloan will soon be leaving for Palomar College. . . . Cliff Erickson and Glen Ollestad are only a couple of the many masses who will be attending State College when school starts.

Judging from the looks of the representatives in the Miss Universe contest, we'd say foreign relations are definitely improving.

IT'S UP TO YOU

By *Howard E. Kershner, L.H.D.*

The cinemascope picture, "A Man Called Peter," is the gripping story of two great lives — Peter and Catherine Marshall — and the tender romance of their great love, mingled with deep religious devotion and dedicated living in parish ministry. We hear excerpts from several of Peter Marshall's sermons and from his prayers, as Chaplain of the United States Senate. Here is humor, real entertainment, inspiration and high Christian living, beautifully portrayed in Color by De Luxe. Any minister can safely recommend this picture to the families of his parish who will be the better for seeing it. It's interesting. They'll like it.

Among so much that is despicable and deplorable on the screen, it is a pleasure to find a picture which, although not perfect, is the best we have seen in a very long time. We hope all our readers will see it.

The Search for Health

The search for antibiotics, the infection-fighting chemicals produced by tiny organisms, has progressed at an amazing pace during the past decade. If the quest continues with the same intensity prevailing during this period, it is estimated that some 400 antibiotics will be discovered in the course of 1955 alone.

Of these 400—derived from bits of soil, plants and other organic matter gathered in all parts of the world—only one or two are likely to be found useful in the fight against human infection. The others will be disqualified or scheduled for further study.

The one or two that remain, however, may be drugs destined to save millions of lives. Polycycline (also known by such names as Panmycin and Steclin), newest and safest of the clinically proven broad-range antibiotics, is an example. Developed by scientists at Bristol Laboratories, this drug—which is of the chemical family called the tetracyclines—is being used in hospitals throughout the world to fight scores of infections ranging from pneumonia to venereal disease.

But before a drug reaches such eminence—in fact, before it is tested on a single human patient—it must be subjected to a series of careful tests. And here is where the weeding-out process commences. The tests reveal if the drug is too toxic, how likely it is to produce allergic reactions, and other pertinent information.

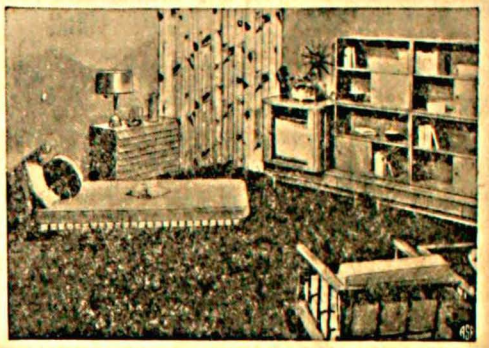
The care exerted by research laboratories in the development of antibiotics is illustrated in the case of Etamycin, one of the most recent antibiotic discoveries. Although this drug, also developed by Bristol, has shown considerable effectiveness when pitted in the laboratory against germs involved in such diseases as pneumonia, anthrax and tuberculosis, it still faces an "obstacle course" of experiments and studies.

This intensive search for drugs that restore health, conducted in laboratories throughout the country, inevitably has led to considerable duplication of effort. Frequently, the same antibiotic has been discovered independently by several research teams. This has happened in the case of Etamycin.

But the search continues, unabated. For in every new sample of humble-looking earth may lurk a microorganism that holds the remedy for diseases that at present have no cure.

Decorator's Notebook

by Alicia Joyce



Style influences from around the world are the new fashions shown at the summer furniture markets.

Shown above is the simplicity of Danish styling. This grouping is one of the most versatile collections of living, dining and bedroom furniture.

Not only are these units interchangeable from room to room, but within a room, and with each other. They bring an unusual and pleasant architectural aspect to our homes. For this custom look, base pieces are individual units, separate from cabinets and drawer chests, creating a free scaling variation about the room. The base units may also be used as benches or coffee tables. Note the extra storage space in the three drawers of the base units.

The wood is walnut, finished to have a hand-rubbed sheen, which allows the full beauty of the wood to show through—an increasing trend in new furniture styles.

Sliding drawers in the chests are reversible—one side is a walnut finish, and the other side is a dramatic black panelyte.

New fashion touches are the louvred drawer fronts on case pieces, and the tamboured cabinet for either Television or Hi-Fi.

This is your INVITATION to visit our Store and make your IMPRINT CARD selection for CHRISTMAS and the Holiday SEASON.

NOTICE OF HEARING ON PETITION FOR WITHDRAWAL OF CERTAIN LANDS FROM THE LEMON GROVE SANITATION DISTRICT

NOTICE IS HEREBY GIVEN that Mrs. Dorothy Snodgrass, owner of real property in the Lemon Grove Sanitation District, has filed with the Board of Supervisors of San Diego County a petition requesting the withdrawal of the following-described land from said Sanitation District, in accordance with Section 4845.31 of the Health and Safety Code of the State of California:

All that unincorporated territory in the County of San Diego, State of California, described as follows:

Beginning at a point in the Easterly line of Lot 68 of Lemon Grove Park, Map No. 1303, on file in the Office of the Recorder of San Diego County, said point being distant 60.00 feet Northerly, measured at right angles from the Southerly line of said lot, said point also being an angle point in the boundary of the Lemon Grove Sanitation District:

1. thence, leaving said boundary line, Southerly along said Easterly line of Lot 68, to the Southeasterly corner of said lot;
2. thence Westerly, along the Southerly line of said lot, a distance of 135.00 feet;
3. thence Northerly, parallel with said Easterly line of said lot to a point in the Northerly line of said Southerly 60.00 feet of Lot 68, being also a point in said sanitation district boundary line;
4. thence Easterly along said Northerly line and said boundary line to the point of beginning.

The Board of Supervisors has set said petition for hearing before said Board at its chamber, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, on Tuesday, September 20, 1955, at 10:30 a.m., at which time any interested person may appear and be heard regarding the withdrawal of said land from the Lemon Grove Sanitation District.

For further details reference is hereby made to said petition on file in the office of the Clerk of the Board of Supervisors, Room 308 San Diego City and County Administration Building, Civic Center, San Diego, California.

BY ORDER OF THE BOARD OF SUPERVISORS OF SAN DIEGO COUNTY, adopted August 23, 1955.

R. B. JAMES, County Clerk
and ex officio Clerk of the Board of Supervisors
By J. Miller, Deputy

Re the Proposed Annexation)
to the LEMON GROVE)
Sanitation District . . .)

RESOLUTION OF INTENTION TO ANNEX UNINCORPORATED TERRITORY TO THE LEMON GROVE SANITATION DISTRICT AND NOTICE OF HEARING THEREON

On motion of Supervisor Bird, seconded by Supervisor Robbins, the following resolution is adopted and notice is ordered by the Board of Supervisors of San Diego County;

WHEREAS, Hillard T. Espe and others, the owners of certain property in unincorporated territory of the County of San Diego contiguous to the Lemon Grove Sanitation District, have requested this Board (Document No. 163342) to annex said property to said Sanitation District under the provisions of the County Sanitation District Act; and

WHEREAS, the County Boundary Commission has approved the boundaries of the proposed annexation (Document No. 183621); and

WHEREAS, investigation of the proposed annexation by the Division of Engineering of the Department of Public Works discloses that said property is contiguous to said Sanitation District and that it would be desirable and feasible to sewer said property by extension of said District's lines (Document No. 163343); NOW THEREFORE

BE IT RESOLVED AND ORDERED:

(a) That it is the intention of the Board of Supervisors of the County of San Diego to annex to the Lemon Grove Sanitation District under the provisions of the County Sanitation District Act all of that contiguous unincorporated territory of the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, bounded and described as follows:

All that unincorporated territory in the County of San Diego, State of California, described as follows:

1. Beginning at a point in the Southerly line of Lot 27 of Subdivision No. 3 of Tract 12, Rancho Ex-Mission, Map No. 859, filed in the Office of the Recorder of said San Diego County, said point being distant 250 feet Westerly, along said line, from the Southeasterly corner of said lot and also being an angle point in the boundary of the Lemon Grove Sanitation District;

2. thence Northerly along said boundary, parallel with the Easterly line of said Lot 27 a distance of 320.12 feet;

3. thence Westerly parallel with the Southerly line of said lot a distance of 87.82 feet to the True Point of Beginning;

4. thence Northerly parallel with the Westerly line of said Lot 27 and the Northerly prolongation of said line to a point in the Northerly line of a 40 foot street, now known as Central Avenue, being also a point in the Southerly line of Lot 24, as shown on said Map No. 859;

5. thence Easterly along said Northerly line to a point in said line which is 305.90 feet Westerly, along said line, from the Southeasterly corner of said Lot 24;

6. thence Northerly in a direct line to a point in the Northerly line of said Lot 24, which is distant 305.00 feet Westerly, along said line, from the Northeasterly corner of said lot;

7. thence Westerly along said Northerly line of Lot 24 to the Northwesterly corner of the Easterly 400.90 feet of said Lot 24;

8. thence, leaving said boundary line, Southerly along the Westerly line of said Easterly 400.90 feet, a distance of 200.00 feet;

9. thence Westerly parallel with the Northerly line of said lot to a point in the Easterly line of the Westerly 50 feet of the Easterly half of said Lot 24;

10. thence Northerly along said Easterly line to a point in the Northerly line of said lot, being a point in said boundary line;

11. thence Westerly, along said boundary line, and said Northearly line to an intersection with the North and South center line of said Lot 24;

12. thence, leaving said boundary line, Southerly along said center line a distance of 170.61 feet;

13. thence Westerly parallel with said Northerly line a distance of 120.00 feet;

14. thence Northerly parallel with said North and South center line to a point in the Northerly line of said Lot 24, being a point in said boundary line;

15. thence Westerly along said boundary line and said Northerly line to the Northwesterly corner of said lot;

16. thence Southerly along the Westerly line of said lot to the Southwesterly corner of said lot, being also a point in the Northerly line of said Central Avenue;

17. thence Westerly along said Northerly line to the Southwesterly corner of Lot 25 of said Map No. 859, being also the Southeasterly corner of Sonka Urban Heights, Unit No. 4, Map No. 2963, on file in the Office of the Recorder of said San Diego County;

18. thence Westerly along the Southerly line of said Map No. 2963 to the most Southerly corner of said Map;

19. thence Northerly along the Westerly line of said Map No. 2963, a distance of 88.78 feet to an angle point therein;

20. thence Westerly along the Southerly line of said Map No. 2963 to the Southwesterly corner of Lot 8 of said Map;

21. thence Northerly along the Westerly line of said Lot 8, a distance of 40.85 feet to an angle point in said line;

22. thence South 47°42'30" West, 262.20 feet;

23. thence South 32°00'40" West, 225.00 feet;

24. thence South 16°36'20" West, 136.63 feet to a point in the Northwesterly line of Central Avenue as shown on Sonka Urban Heights, Unit No. 3, Map No. 2733, on file in the Office of the Recorder of said San Diego County;

25. thence, leaving said boundary line, continuing South 16°36'20" West to a point in the center line of said Central Avenue;

26. thence Northeasterly along said center line to an intersection with the Northwesterly prolongation of the center line of Hibiscus Drive, as shown on said Map No. 2733, said intersection being a point in said boundary line;

27. thence along said boundary line, Southeasterly along said prolongation and said center line to a point in the Southeasterly line of said Central Avenue, being also the Northwesterly line of said Map No. 2733;

28. thence Northeasterly along said Northwesterly line to the most Northerly corner of said Map No. 2733;

29. thence Southerly along the Easterly line of said Map No. 2733, to the Southwesterly corner of Lot 7 of Kunkel Terrace, Unit No. 2, Map No. 2773, on file in the Office of the Recorder of said San Diego County;

30. thence, leaving said boundary line, Easterly along the Southerly line of said Map No. 2773 to the Southeasterly corner of Lot 8 of said Map;

31. thence Easterly in a direct line to the Southwesterly corner of Lot 26 of said Map No. 859;

32. thence Easterly along the Southerly line of said Lot 26 to the Southeasterly corner of said lot;

33. thence Northerly along the Easterly line of said lot to a point which is distant along said line 319.57 feet Southerly along said line from the Northeasterly corner of said Lot 26;

34. thence Easterly in a direct line to the True Point of Beginning.

(b) That said Sanitation District following said annexation shall continue to be known by that name;

(c) That the Board of Supervisors hereby sets Tuesday, the 27th day of September, 1955, at the hour of 11:00 o'clock a.m. in the Chamber of the Board of Supervisors, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, as the time and place fixed for the hearing of objections to the annexation of said territory to said District, or to the extent thereof.

(d) That the Clerk of the Board of Supervisors is hereby authorized and instructed to publish this resolution of intention and notice of hearing thereon at length in at least two successive issues not more than 30 nor less than 10 days prior to the time of said hearing in the Lemon Grove Review, a newspaper of general circulation in the County of San Diego, in the territory proposed to be annexed, and in said Sanitation District.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 23d day of August, 1955, by the following vote:

AYES: Supervisors Gibson, Bird, Robbins, Austin, and Howell

NOES: Supervisors None

ABSENT: Supervisors None

STATE OF CALIFORNIA,)
) ss.
County of San Diego,)

I, R. B. JAMES, County Clerk of the County of San Diego, State of California, and ex-officio Clerk of the Board of Supervisors of said County, hereby certify that I have compared the foregoing copy with the original resolution passed and adopted by said Board, at a regular meeting thereof, at the time and by the vote therein stated, which original resolution is now on file in my office; that the same contains a full, true and correct transcript therefrom and of the whole thereof.

Witness my hand and the Seal of said Board of Supervisors, this 23d day of August, A. D., 1955.

(SEAL)

HEART CENTER DIRECTOR NAMED

Heart Center's Dr. A. L. Edgar

San Diego County's Heart Center in the Sharp Memorial Hospital is welcoming its new director. He is Dr. Aaron S. Raisin of Charleston, South Carolina, whose appointment as director of the Heart Center was announced by Dr. A. L. Edgar, president of the San Diego County Heart Association, which sponsors the center.

Dr. Raisin is a graduate of the Medical College of South Carolina and later served as an instructor at his alma mater. He served his internship in Pittsburgh and was a resident physician in pathology and internal medicine in Cleveland. He also served as a medical officer in internal medicine while in Army service.

"The board of directors of the Heart Association selected Dr. Raisin to direct the activities and function of the Heart Center because of his unusually extensive training in cardio vascular disease," Dr. Edgar said. This special training included a fellowship in cardiology as a National Heart Institute trainee, at the USC Department of Medicine-Cardiology. During the past year, Dr. Raisin has been performing cardiac catheterization studies at the Los Angeles County General Hospital.

After an inspection of the local Heart Center and the $68,000 worth of equipment which has already been installed, Dr. Raisin stated that it was the finest, most modern cardio respiratory laboratory for the study and diagnosis of all heart diseases he had seen in his experience.

James Dickenson Completes Officers School

QUANTICO, Va.—Having completed the five-month officers basic school here August 6, Marine 2nd Lt. James R. Dickenson, son of Capt. and Mrs. Cheston L. Raichart of 2053 El Dora St., Lemon Grove, has been assigned duty here.

He is a graduate of San Diego State College.

YOU CAN BUY IT OR SELL IT QUICKLY WITH OUR WANT-ADS

You can sell it or buy it easier and quicker through classified advertising in this newspaper.

For one low cost your message runs in the Lemon Grove Review and the Spring Valley Bulletin, two separate newspapers, both published by this firm.

To Buy or sell, call Irene Estes at HO 6-4133 and receive courteous helpful service.

You can charge it too! Ads received on Tuesday run the same week.

There's a thrill in the thought that a common cake of soap can trace its ancestry to creamery butter.—Indianapolis News.

CYSTIC FIBROSIS CAMPAIGN STARTS HERE

The battle against the nation's number one child killer, Cystic Fibrosis, will be joined in Lemon Grove on September 15 when the first annual CF public education and fund raising campaign is launched to support the CF Foundation.

Beta Sigma Phis throughout the state of California have adopted CF as their number one project for the 1955-56 year. Mrs. Thomas Best, president of the Lemon Grove chapter, Theta Omicron, has promised full support of her chapter members during the campaign month.

CF kills one out of every 600 children born in the nation. The average life expectancy of a CF victim is only seven years, and only two per cent of CF victims live into their teens.

Lt. Governor Harold J. Powers will serve as the honorary state chairman of the CF campaign which will be conducted by civic leaders and organizations all over California during the period from September 15-October 15.

"This first campaign must be the first milestone on a road that will eventually lead us to the answers to CF, the nation's number one child killer," said Powers. "I urge all Californians to lend their fullest support to this cause."

Cystic Fibrosis is a mysterious disease affecting the lungs, hearts, and pancreas of children. Symptoms include a constant hacking cough, loss of weight, inability to digest food.

CF is caused by a recessive gene which means it may strike one or all children in a family and may skip one or more generations before reappearing.

There is no known cause or cure and the disease is almost totally fatal.

Contributions should be mailed to CF, P. O. Box 5141, San Diego 5.

Methodist Women Schedule Fall Activities

The general meeting of the Lemon Grove Methodist Woman's Division of Christian Service will meet at the home of Mrs. Robert Harlan, 7415 Roosevelt Ave., September 8. Devotion will be followed by luncheon. Program and business meeting will follow.

Annual "Christmas Party in September" for the benefit of the Methodist Indian Mission, and the MacDougall Memorial Hospital will be held on this date.

The Mary Martha Circle will meet Sept. 22 at the home of Mrs. Ray Devin, 3250 Buena Vista to sew on Christmas project. Dessert luncheon will be served.

A rummage sale will be held on September 16 at Mrs. Ray Devin's, 3250 Buena Vista.

Christmas card preview will be held Sept. 23 at the home of Mrs. Delno R. Williams, 8019 Darryl.

The Susanna Wesley Circle will meet at the home of Mrs. Lesile Hansen, 718 Becan Dr., San Diego, Sept. 22. A "Hubby Night" fellowship dinner is planned for the evening.

A-bake sale will be held Sept. 4 in front of Carr's Hardware.

PRESBYTERIAN TEACHERS' TRAINING COURSE TO START

Dr. Elmer Lloyd Jones, pastor of Trinity Presbyterian Church, will be back from his vacation on Sunday.

Weldon Aldred, organist, will render special music.

Mr. and Mrs. Earl Morrison, 3899 Harris St., Lemon Grove, were welcomed as new members Sunday, August 28.

There will be a Teacher Training Course beginning Wednesday, September 21, at 7:30 p.m. All those interested are asked to contact the assistant minister, Rev. Frank Hamilton.

Today: Touch Score a Hit with..

FRYERS

ARMOUR STAR

GRADE A
"FLAVOR FRESH"

You don't have to be a Cyrano to make a hit with these frying chickens. You don't have to be an expert cook. They'll be tender and delicious whether you barbecue them whole, split and broil them, or cut them up and fry them. Naturally, they're Grade "A".

WHOLE **47¢ lb.**
